STAINLESS STEEL FRAME

G.I PIPE/ TUBE COATED FRAME

CHARACTERISTICS	Colourful | Distinctive | Decorative
DESIGN	Habitat collection is both practical and decorative to bring that touch of green elegance to your space. The highly textured handcrafted woven bases, curated in distinct colourways, produce an interesting and beautiful combination for the eyes. Designed with removable inserts, plants can be directly planted into the inserts (drainage holes optional) or potted. As good indoors as outdoors.
CUSTOMISATION	Choose from a curated palette of ECRF fibre colours to style it your way.
PAIRING	The perfect accessory to any ECRF collection, especially when combined in a curated mix of sizes, colourways and different plant types.
HANDCRAFTED	Lovingly handcrafted in-house using only the best-in-class materials by ECRF Manufacturing, Mabinay, Philippines - home to the world's best woven craftsmanship. Artisan Inherent.
